

# J GREEN

- Fast playing green
- High tolerance to close mow
- Recommended varieties
- Hard wearing

## J green from Johnsons Sports Seed

With J green you can maintain a traditional golf green appropriate for high speed ball roll.

When cut close the turf surface is dense fine and firm ideal for putting.

Variety selection in J Green is based on healthy, dense and tolerant varieties specialized for this purpose.

Johnson's Sports Seed is the ideal mixture for play and sports activity.

Turf managers maintaining the full range of sports areas, will appreciate the extensive work carried out by our breeding team to produce turf varieties offering high ratings for wear tolerance, sward density and tolerance.

Purity you can rely on!
