

# MAQUI

Lolium perenne

- Exceptional rust resistance
- Good yield
- Excellent persistence

## Rust resistant and high yields

MAQUI has a top rust resistance on the recommended list in the Netherlands. In addition, it shows a high persistence. This combination of high disease resistance, high persistency and good yield in the second cut is unprecedented in the Netherlands.

## Persistence

Also for persistence, Maqui ranks in de top 5 in Holland.

## Technical Specifications

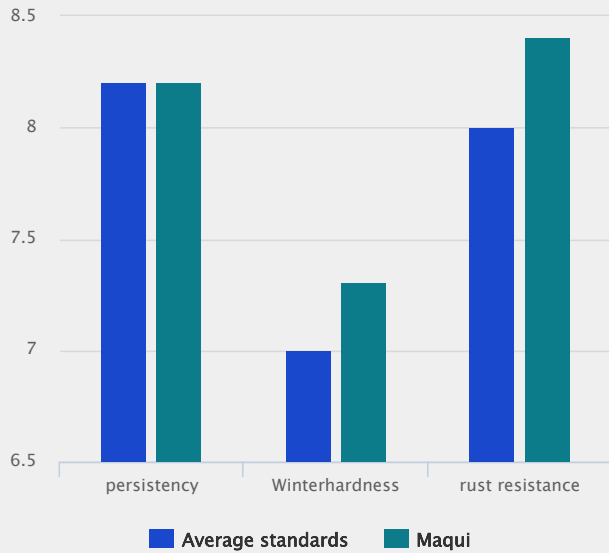

- Perennial ryegrass
- Healthy and persistence
- Listed/recommended in EU NL
